

### Equity Linked Instruments

Allen & Overy's Equity Linked online service provides clients with access to guidance on issuing equity-linked instruments. It is updated regularly to reflect changes in underlying principles of equity-linked issuance in various jurisdictions and other market developments.

#### Benefits include:

- Immediate access to laws, rules, requirements, authorisations and procedures relevant to the structuring and issuance of equity linked instruments across multiple jurisdictions
- Colour coded system to provide instant answers, along with comments and advice
- Glossary of key terminology
- Enables users to conduct multi-jurisdictional comparative analysis of equity-linked issuance possibilities
- Continually adding new jurisdictions and updating guidance for existing jurisdictions
