

ALLEN & OVERY

Introducing A&O in APAC

SUPPORTING YOU ACROSS ASIA PACIFIC

With the legal and cultural fragmentation that exists across the region, our unrivalled Asia Pacific footprint allows us to understand the nuances of each market while applying international standards to the advice we provide to clients.

Figures in circles indicate the number of A&O lawyers in each office, as at September 2019

In jurisdictions where we do not have a physical presence such as India, Malaysia and the Philippines, we also have extensive experience.
