Introducing our offices in New York and Washington, D.C.

“Allen & Overy’s U.S. practice is a cornerstone of our global strategy. It is dedicated to our clients’ U.S. and cross-border needs. Our U.S. and international finance, litigation, corporate, and financial services regulatory practices combine to provide a service that very few firms can match for local depth and global reach.”

Tim House, Senior Managing Partner in the U.S. and Latin America
Our New York and Washington, D.C. offices

Located in the financial and regulatory hubs of the United States

“Allen & Overy is home to a “great, diverse practice,” …the firm offers a “top-notch service.””
Chambers, Nationwide, 2019

“The entire team that we worked with at Allen & Overy were great. They are very knowledgeable.”
Chambers, Nationwide, 2019

“The firm is first class. They have a very longstanding history.”
Chambers, New York, 2019

“The firm is ‘consistently at the top of the market’ and has ‘an excellent global footprint’.”
Chambers Global 2017

“The attorneys took real ownership of the case and had a vast command of the facts.”
Chambers USA 2017

Overview of our legal services

We have been providing U.S. legal advice to domestic and non-U.S. clients for more than 30 years. With a broad range of sophisticated legal services and innovative technological solutions to legal issues at our disposal, we work closely with A&O offices around the world to meet the needs of our clients.
Reaching out beyond the U.S.

Latin America practice

Allen & Overy’s dedicated Latin America team draws together our world-class experience in project finance, general finance, corporate/M&A, capital markets and international dispute resolution. With cultural familiarity and fluency in English, Spanish and Portuguese, they provide clients with highly effective service on Latin America transactions in key industries including power, renewable energy, oil & gas, mining, infrastructure and telecommunications. The core of our team is based in São Paulo, New York, and Washington, D.C., and we draw on the talents of our outstanding group of New York and English-qualified lawyers based in Tokyo, Seoul, Paris, Brussels, Amsterdam, Dubai, Abu Dhabi, Germany, Italy, Madrid, London and several other offices around our global network, allowing us to provide a seamless service across time zones and cultures.

U.S. China group

Allen & Overy has one of the leading China practices in the world. The U.S. China Group in particular has a broad range of experience in M&A, joint venture and financing transactions covering infrastructure, technology and real estate, among other industries. In recent years, the U.S. China Group has focused on assisting Chinese enterprises in their initiatives to “Go Global.” The group consists of a dedicated team in New York (with fluent Mandarin and Cantonese speakers) working alongside colleagues in D.C. and China. We are dedicated to helping Chinese companies and financial institutions grow their business in the U.S. and beyond.

“It’s the kind of firm that you rely on not just for their U.S. knowledge but the fact that they have roots internationally. They bring a global perspective that’s really helpful.”

Chambers USA 2017
Work highlights

**SAP**
On the USD2.4 billion acquisition of NASDAQ-listed Callidus Software Inc., the leader in cloud-based Lead to Money (Quote-to-Cash) solutions.

**IFC MCPP Infra**
On the development of its Managed Co-Lending Portfolio Program for Infrastructure (MCPP Infra), a new managed funds investment product that aims to raise USD5bn for infrastructure projects in emerging markets. This is an entirely new form of co-financing designed by IFC to complement its existing A Loan, B Loan, C Loan and Parallel Loan products.

**Ohio State University’s Comprehensive Energy Management Project**
A consortium led by Axium Infrastructure and Engie North America in connection with their successful bid for Ohio State University’s Comprehensive Energy Management Project.
High-profile investigations and litigation

A hedge fund
Defended a hedge fund partner at trial on criminal insider trading charges in a high-profile case. The U.S. Attorney’s Office for the Southern District of New York charged our client with causing his fund to trade securities on the basis of information that a Washington-based consultant improperly obtained from the federal agency administering Medicare about its deliberations concerning Medicare reimbursement rates. The case went to trial in April, and resulted in an acquittal on five of ten counts. We are appealing the counts of conviction.

Aquila Aviation L.P. and a global financial services group, National Association, in a breach of contract trial in the Southern District of New York
The case was tried in the summer of 2017 and resulted in a wholly successful verdict. On March 30, 2018, Judge Sullivan awarded our client full damages, pre-trial interest, and also awarded our reasonable attorney’s fees in litigating the matter.

Argo
An infrastructure investment firm, in connection with a federal court litigation and an arbitration relating to Argo’s 50 year lease of the water and sewer assets of the Borough of Middletown, Pennsylvania. The disputes between the parties relate to contractual provisions in the parties’ agreement providing for recoveries for capital expenditures and revenue deficiencies.

BNP Paribas
In class action litigation involving claims that some of the biggest banks in the world manipulated the global foreign exchange (FX) market. The actions have been consolidated in the U.S. District Court in the Southern District of New York. We also represent BNP Paribas on global government investigations regarding the FX markets, resulting in declinations from the DOJ Fraud Section, the CFTC, and the FCA, and resolutions with the Federal Reserve and the NY Department of Financial Services.

Cross-border regulatory investigation
International financial institution in connection with a cross-border regulatory investigation into the client’s hiring practices in the APAC region. The matter is part of an industry-wide investigation into whether the hiring practices of financial institutions in APAC may have violated applicable anti-bribery and corruption legislation. In addition to conducting the factual analysis required to respond to regulatory inquiries, A&O is advising the client on the legal aspects of the applicable legislation and representing the client during discussions with interested regulators. We are also advising the client concerning improvements to its compliance policies and other controls with respect to hiring practices.

Lehman bankruptcy
Richard S. Fuld, Jr, the former chairman and Chief Executive Officer of Lehman Brothers Holding, Inc., on an array of intersecting proceedings arising out of Lehman’s bankruptcy, including on his Congressional testimony, government and regulatory inquiries, and multiple securities and ERISA class actions.
Large-scale, complex M&A transactions

Hitachi Ltd.
On its USD1.4bn acquisition of JR Automation Technologies, LLC, an automated manufacturing and distribution technology solutions company based in Michigan.

Macquarie Investment Management
On its acquisition of Foresters Financial’s mutual fund management business First Investors, with approximately USD12.3bn in assets under management.

Greif, Inc., the NYSE-listed, Ohio-based global industrial packaging company
On its acquisition of Carusatar Industries, a recycled paperboard and packaging solutions company, from H.I.G. Capital, for approximately USD1.8bn.

EG Group
A privately-held convenience store and petrol retailer with a footprint across Europe, on its acquisition of Cumberland Farms, which operates approximately 600 convenience retail stores and fuel stations across the U.S., and on its USD2.15bn acquisition of the convenience store and gas station business unit of The Kroger Company.

Global Gateway South
EQT Infrastructure Partners on its acquisition of Global Gateway South container terminal, a container terminal in the Port of Los Angeles, from global shipping line CMA CGM Group.

JFK Terminal 1
Carlyle Infrastructure Partners on the USD8.5bn financing, construction, operation and maintenance of the redevelopment of Terminal 1 at JFK airport.

Minera Spence Desalination Project
Eleven commercial banks as lenders on the desalination project financing in Chile. This is being developed by Mitsui and Cobra to sell water to Minera Spence, the owner of a copper mine and a subsidiary of BHP Billiton.

OneWeb Satellite Constellation
The Senior Lenders (including IFC, EBRD, JBIC, UKIF, Bpifrance, EXIAR, Finnvera, Mizuho and ING other financial institutions) on the USD5bn project financing of a satellite constellation of 882 satellites and associated infrastructure and ground facilities for OneWeb.

Airglades International Airport
Airglades International Airport, LLC (AIA) in their developing of an international perishables cargo airport in Hendry County, Florida.

Munich Airports International Airport
Munich Airports International Airport on the operations and concessions management of Newark International Airport’s new Terminal 1.

I-10 Bridge Project
Shikun & Binui and Astaldi Holdings in connection with the I-10 Bridge Project in Alabama.

CONRAC
CONRAC Solutions Capital LLC on (i) the development and financing of a joint use facility at Newark International Airport consisting of a public parking facility for the airport’s new Terminal 1 and consolidated rental car facilities (ConRACs), and (ii) the development, financing and construction of a consolidated rental car facility at Reno-Tahoe International Airport in Nevada.

University utility systems
ENGIE North America in their successful bid for the long-term lease and concession of the Ohio State University, Howard University, Syracuse University and The University of Iowa’s utility systems.
Regulatory compliance and enforcement
