Euro-Commercial Paper

Allen & Overy's Euro-Commercial Paper website summarises some currency-related, selling and other restrictions (such as central bank consents, management and notification requirements, etc.) incidental to the issue of debt instruments under ECP programmes. Where possible, a sample selling restriction for sales to professional investors in the country of the currency is also included.

Benefits include:

- Immediate access to currency related, selling and other restrictions relating to the issue of debt instruments under ECP programmes
- Covers a wide range of jurisdictions
- Draws on the expertise of lawyers within the A&O network
- Gives access to the results of collaboration between A&O and approved external contributors
- An easy to use and intuitive website
- Online format enables us to update the website as and when changes to legislation occur
